It is understood as not so much of a compliment to Longstreet as an expression of admiration for prominent rebels quite popular with boarding house keepers, and pro-rebellion residents of Washington. It occasioned much indignation among resident loyal citizens.

MARINOTON, NOV. 7.—The National Intelligencer, in noticing a visit to the President yesterday of a delegation of ladies from Baltimore, and the presentation of a petition numerously signed, seeking the demency of the Executive in behalf-of Jeff Davis, says the interview was a protracted one and of the most agreeable character, and the fair petitioners left the city carrying with them the most pleasurable impressions of the President. In declining, the President regretted that the national character of the question restrained all private sympathy which they might have awakened in him, and made the important statement that complete arrangements have been made for the early legal trial of Mr. Davis, according to the laws of the land.

The Massachusetts Election—Bemocratic Losses—General Banks Election de to Congress.

Bosrow, Nov. 7.—Our State election took place to-day. The vote was small, about two-thirds of that of last year, when Andrew received 123,281 and Paine 49,191. Returns indicate a larger proportional loss to the democrats. The vote of Boston was 6,088 for Bullock, 3,831 for Couch. Last year the vote was: Andrew 12,783, Paine 7,941. Returns from 112 towns give Bullock 33,171, Couch 10,590. The vote of the State will not probably exceed 100,000, of which Bullock will receive from 75,000 to 80,000; Couch less than 25,000. General Banks is elected to Congress in the 6th district to fill a vacancy. His vote is about the same as that for Governor. His own town gives him 411, against 138 for Greenwood; Haverhill 1697, against 174, and Charlestown gives more than 1800 majority for Banks. The democratic have elected one Senator in Suffolk county, the only one in the State. The workingmen controlles ward 2 and 12, in Boston. The democratic elected six representatives and the republicans 14. The House of Representatives will probably stand about as last year.

Gains-Barlow Elected-Ben. Wood Elected State Senator.

New York, November 7-11 p. M.—

The returns from a number of towns and cities in the State show a large falling off in the Democratic yote as compared with last fall. Barlow is certainly elected Secretary of State by a large majority. The Republican State ticket is also elected. Eleven wards in this city have thus far been heard from, giving 11,000 majority for Siocum. The remaining words will probably run it up to 20,000. Ben. Wood is elected State Senator from this city. The election in this city has been very generally quiet. New York, November 7-11:30 p. M.

doubt of the election of Barlow as Secretary of State. Wisconsia Election—Another Union Triumph.

Mitwanker, Wis., Nov. 7.—Returns from fifty-seven precincts, in the cities of Milwankee, Racine, Kenosha, Fond Du Lac and Waterton, give Fairchild (Union candidate), for Governor, 1687 majority. The vote for the extension of suffrage in seventeen precincts runs 513 behind the ticket. There is little doubt but that Fairchild is elected by from 5,000 to 10,000 majority. The result on the vote for negro suffrage is doubtful. The whole vote is light compared with last year.

The New Jersey Election—Union Gains.

The New Jersey Election-Union Gains The new Jersey Election-Union Gains. New York; Nov. 7.—The returns from New Jersey almost unanimously exhibit Republican gains over the vote of last year. The returns also show a large Union gain in Assemblymen.
